

JOHN H. CARTER CO., INC.

Service Beyond Expectations

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
ABS pumps	Waste Water	Submersible Wastewater Pumps (up to 1300HP) Submersible Mixed Flow Pumps (up to 50,000 GPM), Submersible Propeller Pumps (up to 111,000 GPM), Submersible Grinder Pumps, Submersible Mixers, Packaged Lift Station Systems Complete With Controls, Hatch Net 12
Accu-Drive	Valve Automation	Combustion Air Distribution and Control
Action Instruments	Instrumentation	Signal Conditioners, Alarms, Converters, Isolators; Temperature Transmitters, DIN Rail Mount; Digital Indicators; AIOS 2500 Distributed I/O
AGAR Corp.	Instrumentation	Process Analytical Instruments - In-line Oil & Water Monitors, Net Oil Meter, Interface Concentration Detectors, Automatic Dewatering Systems, Multi-Phase Flow Measurement Systems
Alltemp Sensors	Instrumentation	Pressure & Temperature Instruments - Thermocouples, RTD's, thermowells
Alltemp Sensors	Instrumentation	RTD's Thermocouples, Thermowells
Ametek	Instrumentation	Water filtration systems
AMS	LSI	Asset Management Software
ASCO	Valve Automation	Solenoid Valve
ATI	Valve Automation	Actuator - Pnuematic & Hydraulic
Baumann	Control Valves	Sliding Stem and Butterfly Valve
Bebco Industries	Instrumentation	Instrument & Systems Enclosures
Bettis	Valve Automation	Actuator - Pneumatic hydraulic electric, rack & pinion, scotch yoke design, spring return and double acting
BICC Cables/Pyrotenax	Instrumentation	Heat Transfer Systems - Heat Trace Controllers, Mineral insulated Electric Heat Tracing Systems, Self-regulating Cable
Bindicator	Instrumentation	Level Instruments - Solids & Liquid Level control; Point, Continuou, RF, Ultrasonic
B-L-S Industries	Instrumentation	Heat Transfer Systems - Freeze Proof Safety Showers
Bran & Luebbe	Pumps	Positive Displacement - Metering & Diaphragm
Burkert	Instrumentation	Solenoid Valve
Byron Jackson	Pumps	Centrifugal pumps
Centerline	Valve Automation	Relilent Seated Butterfly Valve
Centron	Waste Water	Feeder
Chemax	Pumps	Heat Transfer Systems - Heat Transfer Cement Pumps
Chemineer	Pumps	Mixers
Cleveland/Hellan	Pumps	Strainer
Con-Tek	Control Valves	DeSuperheaters
Controlotron	Instrumentation	Meters - flow, density
Cooper-Cameron	Valve Automation	Ball Valve
Copeland	Valve Automation	Metal Seated Ball Valve

Baton Rouge (225) 751-3788
 Metairie (504) 877-8550
 Mobile (251) 653-9898
 Lafayette (337) 233-8331
 Lake Charles (337) 882-5932
 Monroe (318) 323-3060

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
Crane	Valve Automation	Relient Seated Butterfly Valve
Crane/Marlin/Mission	Valve Automation	Duo-Check Valve
Crane/Noz Cheks	Valve Automation	Non-Slam Venturi Check Valve
Crane/TOV	Valve Automation	Triple Offset Valve
Dekorun/Rockbestos-Surprenant	Instrumentation	Heat Transfer Systems - Electric Heat Trace Self-regulating Heating Cable, Constant Watt Cable, Thermostats & Accessories
Delta/V	Control Systems	Digital Automation System
Detcon	Instrumentation	Ambient Gas Detection Products - Toxic & Combustible Fixed Gas Detection Systems
Detector Electronics (DET-TRONICS)	Instrumentation	Flame Detectors, Gas Detectors, Fire Supression and Safety Systems
DPR Controlllers	Control Systems	PI Computers - Panel Mounted PID Controllers
Duocheck	Valve Automation	Check Valve
Dwyer	Instrumentation	Chart Recorders
Dwyer	Instrumentation	Pressure & Temperature Instruments - Mercoic, W.E. Anderson, Love Controls, Proximity, Pressure, Temperature, Level & Flow Insurments
Ebara	Pumps	Centrifugal, Submersible Pumps
Emerson Ace (Appalachian)	Control Valves	Tank Blanketing
Enardo Manufacturing	Instrumentation	Pressure & Temp Inst.
Energy Flow Systems	Instrumentation	Flow - Elements, Metering System
Everest	Valve Automation	Specialty Butterfly Valve
Faure Herman Meter	Instrumentation	Flow Instruments - Dual-Bladed Helical Turbine Meters: Crude oil custody transfer and other multi-viscosity applications, refined product and chemical truck and rail car loading applications, conventional low to moderate viscosity applications
Fedd Systems	Instrumentation	Wireless Data Acquisition & Control
Filters (Bag Type)	Pumps	Ronningen - Petter
Filters (Fisher)	Control Valves	Regulator
Fisher	Control Valves	Actuator - Pneumatic Spring/Diaphragm & Piston Actuators and Controls
Fisher	FCS	Level Displacer
Fisher	Instrumentation	Submersible Pressure Transducer
Fisher	Control Valves	Control Valve
Fisher	Control Valves	Valve: Oxygen Clean
Fisher Regulators	Control Valves	Pressure & Temperature Instruments - Instrument supply Regulators, Pressure Reducing Regulators, Volume Boosters; Steam, Gas & Liquid Regulators; Tank Blanketing Regulators; Relief Valve/Backpressure Regulators
Fisher	Control Valves	Digital and Analog Positioners
Fisher	Control Valves	Transmitters - Temperature & Pressure
Flexicraft	Instrumentation	Expansion Joints
Flowboss	Control Systems	ROC 407
Flowguard	Pumps	Flow Device - Pulsation Dampers, Pipeline Absorbers, Thermal Expansion Compensator

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
Flowseal	Valve Automation	High Performance Butterfly Valve
Flowseal TOV	Valve Automation	Butterfly Valve
Force Flow/Floquip	Waste Water	Cylinder Scales, Drum Scales, Bulk Storage Level/Weight Measurement, Hydraulic & Electronic Scales, Trunnions - Chemical Scales
Fox Industries	Instrumentation	Flow Instruments - thermal Dispersion Gas Flow Meters, Flow & Level Switches
Fulflo	Instrumentation	Relief Valve
Gastec (formerly Sensidyne)	Instrumentation	Ambient Gas Detection Products - Gas Detection Tubes & pumps
Gauging Systems	Instrumentation	Level Instruments - Windowbased Tank gauging software: Mass, Radar, Servo, Target Board & capacitance Tank Inventory systems
Gilco	Instrumentation	Boiler Trim
GloCon/Severne	Control Valves	Cryogenic Valve
GO	Valve Automation	Limit Switch
Graco	Pumps	Diaphragm / Air Operated
Great Plains Industries	Instrumentation	Flow Instruments - Turbine Meters: Low Cost, Small Volume, 1/2" to 2" Oval Gear PD Meters, 1/4" to 2"
Greyline Instruments	Instrumentation	Flow Monitors, Doppler & Open Channel flow Meters, Flow Switches, Level Controls
H.O. Trerice	Instrumentation	Pressure & Temperature Instruments - Pressure Gauges and thermometers
Hach	Instrumentation	Liquid Analyzers
Hayward Tyler	Pumps	Centrifugal pumps
Hellan	Pumps	Strainer - Manual and Motorized Self Cleaning Fluid Strainer
Hyett	Instrumentation	Chemical Seal
Hytork	Valve Automation	Actuator - Pneumatic Rack & Pinion Actuators and Controls
ITT Neo-dyn	Instrumentation	Pressure & Temperature Instruments - Pressure, temperature, Vacuum & differential Pressure switches featuring the Nega-Rate Beleville Spring design, Smart Pressure Switches, Switch - Vacuum Pressure, Differential-Temp
Jerguson	Instrumentation	Level Sight Glass
JM Clipper	Pumps	Bearing Isolator
Jogler	Instrumentation	Level Instruments - Level Gages and Sight Flow Indicators
John C. Ernst	Instrumentation	Fluid instrument equipment
John Valve	Valve Automation	Ball Check Valve
Kates	Instrumentation	Flow - Rate Controller
Kenics	Pumps	Static Mixers
Kinetrol	Valve Automation	Actuator - Pneumatic Vane Actuators and Controls
Kinetrol	Valve Automation	Position Indicators
Kinetrol	Valve Automation	Limit Switch
KITZ	Valve Automation	Ball Valves
Kobe/Trico	Pumps	Positive Displacement - High Pressure
Kobold	Instrumentation	Flow, Pressure, Level, Temperature
Koflo	Pumps	Static Mixers

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
K-Patents	Instrumentation	Process Analytical Instruments - Process refractometers for Concentration (% by weight)
KTM	Valve Automation	Ball Valve
Larox	Valve Automation	Valve - Abrasive, Slurry Pinch
Lawrence	Pumps	Centrifugal pumps
Limitorque	Valve Automation	Actuator - Electric Multi-turn & Quarter-turn actuators and controls
Lock-N-Pop	Instrumentation	Packing
Lunkenhiemer	Valve Automation	Regrinding Slurry Valves
Mag Meter	Fisher RM	Flow Meter
Marlin	Valve Automation	Check Valve
Marlo	Pumps	Packing
Mastric/Chemex	Instrumentation	Thermal Cement
McDaniel	Instrumentation	Gauge - Pressure
Megator	Pumps	Positive Displacement - Sliding Shoe
Mercoid	Instrumentation	Pressure Switch
Midwest	Instrumentation	Pressure Gauge
Mission	Valve Automation	Valve
Modular Mounting Sys/SPS Fisher Form	Instrumentation	Inst. & Sep Encl. (See Attached)
Monitek	Instrumentation	Process Analytical Instruments - Suspended Solids Monitors, Turbidimeters, Colorimeters
Moore	Valve Automation	Positioner - PVC enclosed
Moyno	Pumps	Grinder and Shredder, R&M 1000, 500, 2000
Mueller	Instrumentation	Strainer
Mueller Flow/Mueller Steam	Instrumentation	Flow Instruments - Cast-body and Fabricated Strainers (Y, Basket, Tee, Temporary Cone, Duples); spectacle Blinds, Bleed Rings/Instrument Flange Rings, Sample coolers
Murphy Industries	Instrumentation	
Neotecha	Valve Automation	Ball & Butterfly Valve
Nicholson	Instrumentation	Heat Transfer Systems - Steam Traps & Condensate Recovery systems
Noz Check	Valve Automation	Check Valve
Ogden	Instrumentation	Heat Transfer Systems - Electric Process Heating; Insertion, Band, Strip, Tubular, Immersion, Ceramic Infrared, Flexible Heaters & Contols
OPW	Instrumentation	Flow Instruments (See Attached)
OPW Engineered Systems	Instrumentation	Flow Instruments - Loading Arms, Swivel Joints, Isolation Rings, sight Flow Indicators
Orbit-Triax	Valve Automation	T.O.V.
OSB Regulator	Control Valves	Regulator
OSE Regulator	Control Valves	Regulator
Pacific	Valve Automation	Gate & Globe
Palmer / Wahl	Instrumentation	Thermometers - Thermowells
Palmer-Wahl Instruments	Instrumentation	Pressure & Temperature Instruments - Industrial thermometers, Recorders, Precision Infrared & Platinum RTD Temperature Instruments
Pan America	Pumps	Separator - Oil & Water/Environmental Equipment
Parker / Skinner	Instrumentation	Solenoid Valve

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
Penberthy	Instrumentation	Flow Instruments - Sight Flow Indicators (Rotary, Flapper, Drip) Level Instruments - Liquid Level Gages & Valves (Armoured Flat Glass, Tubular Magnetic) Replacement Glass, Gaskets, Shields for all Manufacturers, Boiler Level Gauges and Indicators: Viewp
PMV	Valve Automation	Positioners - Digital & Analog
Posi-Seal	Valve Automation	High Performance Butterfly Valve
Poyam	Valve Automation	Valve - Lift plug (Metal seated severe service)
Precision Digital	Instrumentation	Signal Conditioning & Alarms - Digital panel Meters, Indicators & Alarms
ProVox	Control Systems	DCS System
Quality Products	Instrumentation	Flow Instruments - Orifice Plates, Flanges, Venturis, Meter Runs, Bleed Rings, Condensate Chambers (Flow Tube)
Quarter Turn Valves	Valve Automation	Ball Plug Butterfly
Ramoy	Pumps	Part of Moyno (Same as Moyno SP500)
RemVue	RemVue	Air/Fuel Ratio Controller
Reotemp	Instrumentation	Pressure Gauge
Rittal/Electromate	Instrumentation	Instrument Sep. Enclosures (See Attached)
RKL Controls	Pumps	Valves & Control Pressure Sensors - Rubberlined Pressure Sensors & Switches
ROC 300	Control Systems	Remote Operated Control (SCADA)
Ronningen-Petter	Pumps	Engineered Liquid Filter Systems
RuhrPumpsen	Pumps	Centrifugal pumps
Sierra	Instrumentation	Flow Meter
Skinner	Valve Automation	Solenoid Valve
Smart	Instrumentation	Temperature Switch
Stockham	Valve Automation	Valve
Superior/Sherwood	Instrumentation	Chlorine Valves & Fittings
System 3 (RS3)	Control Systems	DCS Distributed Control System
Tank Blanketing	Control Valves	Regulator
Taylor Forge	Pumps	Heat Exchanger - Shell & Tube
Taylor Forge	Pumps	Pigs - Pipe Cleaning Detectors, Launchers, Receivers
Taylor Tool	Valve Automation	Choke Valve
Technaflow	Valve Automation	Knife Gate Valve
Techne	Instrumentation	Calibrating eqt. - Temperature
Tescom	Regulators	Pressure Control Solutions
Texas Sampling Systems	Instrumentation	Process Analytical Instruments - Process Sampling: Closed Loop, Automatic & Custom Systems
Tranter	Pumps	Heat Exchanger - Plate Frame
Tranter	Pumps	Plate Pack (Plate & Frame Heat Exchangers)
Trend	Instrumentation	Thermometers - Thermowells
Trend Instruments	Instrumentation	Pressure & Temperature Instruments - Bi-Metal thermometers, TwinTemp thermometer/RTD
Trerice	Instrumentation	Pressure Gauge
Trico	Pumps	Positive Displacement - Hydraulic
Tyco Neotecha	Valve Automation	Lined Butterfly & Ball Valve

MANUFACTURER	JHC SALES DIVISION	PRODUCT DESCRIPTION
U.S. Filter, Wallace & Tiernan	Instrumentation	Flow Instruments - Rotameter Variable Area Meters (Vareameters): Purge Meters, Glass Tube & Metal Tube Vareameters, Flow Switches, Flow Controllers, Chemical Feed Equipment, Chlorinators, Metering pumps, Dry
Uni-Check	Valve Automation	Check Valve
Velan	Valve Automation	Ball Valve
Versa	Valve Automation	Solenoid Valve
Vynckier & Stahlin	Instrumentation	Inst. & Sep. Enclosures (See Attached)
W.A. Kates Company	Instrumentation	Flow Instruments - PVC
Wallace & Tiernan	Instrumentation	Roto Meter
Walworth	Valve Automation	Valves
Watts	Valve Automation	Ball Valve
Weatherford	Pumps	Positive Displacement - Hydraulic Pumps
Westlock	Valve Automation	Valve Monitoring Devices
Whisper Flow	Control Valves	Defuser, Trim
WIKA Instruments	Instrumentation	Pressure & Temperature Instruments - Pressure Gauges, Chemical Seals, Thermometers, Pressure Transducers
Wilson Snyder	Valve Automation	Switching Valve
Wizard	Control Valves	Control
WKM	Valve Automation	Ball and High Performance Butterfly Valve
Xomox	Valve Automation	Plug Valve
